Subject: US vs Holmes & Balwani Case #5:18-CR-00258EJD

I am a senior victim and don't know how to do a pdf but i have answered all your questions below from the Victim Impact Statement. I hope it will be acceptable.

- 1) Details of my Investment: 7/25/11 I purchased 10,000 shares from my venture capital boss, Donald L. Lucas, through the Lucas Brothers Foundation. Series B Preferred
- 2) There was a 5 - 1 forward stock split giving me approximately 50,000 shares. I have my original certificate signed by Elizabeth Holmes
- 3) I did sell 3,000 shares. So my certificates says 47,000 shares of Theranos [REDACTED] signed by Elizabeth Holmes.
- 4) I did not receive any payments from Theranos, Eliz Holmes or Ramesh Balwani after the above investments. No interest, dividends, distributions, refunds, honoraria, referral fees or settlement payments
- 5) I received no payments in connection with my investment in Theranos.
- 6) i did spend time giving interviews to 60 Minutes Australia, BBC, ABC i believe because i thought it was important that the public see what these two unethical people did
- 7) I lost \$100,000 in Theranos investment
- 8) This was the biggest investment i ever made and it was a big hit financially - i think it's outrageous the behavior of these two greedy people. They made a lot of people suffer

9) yes, there was stress and anxiety as anyone who is a normal wage earner loses \$100,000

10) Elizabeth Holmes and Ramesh Balwani conducted themselves in an unethical manner and continued their sham even with they knew they were impacting real patients and real investors - i did have my blood drawn at their Beta site in Palo Alto on University Avenue.

I hope that justice is served here - their conduct was so haughty and superior - they deserve some humility handed to them with a long prison sentence and i sure wish i could recoup even some of that huge sum of money i lost. Thank you for listening

I declare under penalty of perjury that the above information is true and correct

Please let me know if this is acceptable to be submitted to the sentencing judge.
